

Electrical Parts for Forklifts

Forklift Electrical Parts - Forklifts can be particularly marked to be utilized in unsafe places. A marked truck denotes the design has met the minimum requirements of ANSI/UL 558 meant for engine powered lift trucks or ANSI/UL 583 utilized for electric forklifts for the type of label placed.

Applications for labeled trucks may be found in National Fire Protection Association NFPA 505 - Powered Industrial forklifts including: Maintenance and Operation, Type Designations, and Areas of Use. Ask your local insurance provider and Fire Marshall for further info regarding the approved uses of industrial powered trucks in your application.

If the forklift has been proven to satisfy the outlined standards, the following labels may be put. A labeled truck will have the model designation put on the lift truck nameplate and will have one of the following labels put.
