

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than sixty years of experience successfully developing, marketing, manufacturing, designing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are dedicated to giving new design concepts and top quality in order to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They enjoy offering products which energize both their partners and their dealers and offer production gains to their clients.

The team at TREK likes tackling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' requirements and skills together with their knowledge of cleaning applications, together with owners' strong desire to dramatically lessen cost through productivity gains.

The staffs at TREK and their dealer-partners are strongly dedicated to having both parts and technical support obtainable when it is required. Their high service devotion is one of the core values in their customer service. Keeping their customers' cleaning equipment ready and running day after day is top priority. The company's top of the line technology delivers dependable machinery that eventually lessens your cleaning expense. The service, the product and the price all work together to make them an industry leader.
